

BIDEN OR TRUMP IN '24?

YOU DECIDE

The Real Biden, Pro-Socialist Policy Record:

- Staggering average 5.4% inflation rate (compared to 1.9% when Trump was in office). Sky-high food and gas prices that are crushing the pocketbooks of everyday Americans like you and me.
- Border invasion: Has promoted massive illegal immigration, ushering in tens of thousands (many with terrorist ties, drug cartel ties and hardened criminals) ... and now pushing to allow them to vote in our elections.
- Many beloved American cities becoming cesspools of rampant, out-of-control crime.
- Reduced America's total energy independence attained under Trump. Canceled the permit for the Keystone pipeline sending gas prices soaring. That translates into massive cost-of-living increases for everyday citizens like you and me.
- Weakened our military and national defense: A shameful and deadly retreat from Afghanistan, leaving billions of worth of weapons and military equipment that can fall into the hands of terrorists who chant "Death to America."
- Taxpayer funded involvement in wars with Ukraine and Israel -- and potential war with China over Taiwan
- Waived sanctions against America-hating Iran that handed them \$10 BILLION.
- The resurgence of Hamas and an increasing threat of terrorism here at home because of his open border policies.
- Political weaponization of the Department of Justice, FBI and CIA
- A promise of a \$6 TRILLION tax increase...and would cost 800,000 American jobs.
- Keeping America sharply divided on racial, ethnic and gender lines.
- Adopting and promoting policies that are rapidly leading America into a Socialist State that are too many to name here.

... And Look at Just a Few Things President Trump's Has Vowed to Do if We Can Help Him Reclaim the White House:

- Make the historic Trump Middle Class Tax Cuts that expire next year PERMANENT.
- Will to immediately round up and remove known or suspected gang or cartel members, terrorists, drug dealers and deport at least 20 million illegal lawbreakers, give our border control officers the support they need to dam the flood and resume construction of the wall.
- A return to unprecedented economic growth and prosperity like we enjoyed in his first term, that has been decimated by Joe Biden and his administration.

Continue 

- Continue to cut Congress' reckless government "special interest" cronyism spending pushed by corrupt politicians in Congress to further reduce our taxes.
- Undo Biden's war on small business and continue to cut staggering government over-regulation and red tape and return America to the stunning economic growth, employment growth and wage growth we enjoyed when he was in office -- including record Black, Hispanic and Womens' employment.
- While he was able dismantle the worst parts of Obamacare when he was in office and reduce premiums by as much as 60% for millions of Americans, he plans to repeal and replace it and let the free market make healthcare more affordable for all.
- Enforce the law he signed during his term to stop taxpayer funding of sanctuary cities that harbor illegal aliens -- a law that Biden has broken by giving these corrupt cities \$200 Million in just 2021 alone.
- Rebuild our U.S. military and restore America's defenses to the strongest they were in years when he was in office. Resume his "peace through strength" policy that will put our adversaries and the re-emergence of terrorists like Hammas since Biden took office back on the run.
- Make America #1 producer of oil in the world again, no longer dependent on Middle East oil and send our sky-high gas, food and cost-of-living expenses under Biden crashing down.

President Trump was one of the few presidents in modern history who delivered on most of what he promised -- and stunningly in just 3 short years of his term! You and I and our country need him back in the White House to turn our country around quickly and bring prosperity and security back to the American people.

Your help is critical to help counter the ANTI-TRUMP DRIVE sweeping the country.
